From the demanding security requirements of the banking industry and the high performance needs of live theater to the comfort and warmth of your own home, *Metro Construction* provides clients with excellent project management controls and upfront thinking designed to deliver the highest quality product for the best price in the quickest time frame possible.

Metro Construction has completed over 100 commercial, commercial tenant improvement and high-end residential projects. With over 150 years of combined experience, *Metro Construction's* management and staff can deliver fully designed and engineered project packages with building and planning department approvals intact.

Our president, *Bradford C. Tardy*, can also function as Architect of Record for out of state design and architectural firms.

Contact us at (415)331-1101 today for a FREE estimate without obligation of any kind. For additional information, visit our Web site at www.metro-inc.net.
